After revision, your article will be published in the upcoming regular issue of 2019. Below is a summary of comments from the reviewers.

1. Paper required extensive proofreading. There are many grammatical errors should be addressed before sending the final version.
2. The problem statement is not clear, as reviewers are unable to understand that why you need to conduct this study where there are plenty of others are available on
- Paper required extensive proofreading. There are many grammatical errors should be addressed before sending the final version.
- The problem statement is not clear, as reviewers are unable to understand that why you need to conduct this study, where there are plenty of papers are available on this topic even in Indonesia.
- Please remove old references and add some new references.
- You did not write the methodology and directly stated the results. Please explain the method of analysis you have used in your study.

Submit your revised paper with payment proof in 7 days and your paper will be published in the upcoming issue of March 2020.

I believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. Please do not hesitate to contact me if you have any further questions.

Thanks
